

GLUKON[®]Citrus Cleaning Spray is a highly effective cleaning spray on a natural basis. GLUKON[®]Citrus Cleaning Spray is specially designed for cleaning stubborn dirt, such as adhesive residues, excess spray, oils, resin, fresh PU adhesives/foams. Thanks to its pH neutrality and non-corrosive action, GLUKON[®]Citrus Cleaning Spray is especially suitable for cleaning closed-pore, colour-fast surfaces.

MATERIALS

GLUKON[®]Citrus Cleaning Spray dissolves and cleans: Adhesive residues, excess spray, oils, grease, resin, fresh PU foam, stickers and much more, from: Applicators, metals, floorings, plastics, painted surfaces, vinyl surfaces, concrete.

APPLICATION AREAS

Trade and industry, window construction, carpet installation, machine construction, precision engineering, maintenance and servicing, textiles, carpets, etc.

FEATURES

- + Ideal for cleaning applicators
- + Reliably removes excess spray
- + Non-corrosive
- + pH neutral
- + With natural base
- + Biodegradable
- + 500 ml spray can

INSTRUCTIONS FOR USE

Remove coarse dirt beforehand. Thoroughly spray the area to be cleaned with **GLUKON[®]Citrus Cleaning Spray**, allow a short reaction time and then wipe off with a clean cloth. With sensitive materials, apply the cleaner to a lint-free cloth and then wipe clean. It may be necessary to repeat the cleaning process with more stubborn soiling.

IMPORTANT INFORMATION

Before using **GLUKON[®]Citrus Cleaning Spray** we always recommend testing the compatibility on a concealed area, because the properties of the base materials can sometimes vary greatly. This compatibility test is particularly necessary with plastics.

ATTENTION! Not suitable for de-greasing surfaces! Please use a non-greasy cleaning agent such as acetone for this purpose.
